and IN THE HUSTINGS COURT INNUAL MEETINGS, &C.

The Convention of the Tong Men's Christian Associations adjor, ned last night, after a final devotional meeting at the Tabbstreet Presbyterian church. The large edifice was crowded on the occasion. Brief and stirring addresses were delivered by several members of the Convention, and the services were interspersed with prayers and services were interspersed with prayers and the singing of gospel hymns. There was also a very large crowd at the First Baptist church yesterday afternoon, where a mast-meeting for young men was held under the auspices on the Convention. Addresses were delivered by Messrs. Hall of New York Convention. York, Cree of Washington, and Smith of Salem. The public of Petersburg have shown the livenest interest both in the business and religious meetings of the Convention, and there is no doubt that new life will be given to the Association here, and

much good be secomplished. At the session of the Convention on Saturday evening resolutions of respect to the memory of the late P. P. Bliss, an active participant in Association work, who was tilled by the railroad disaster at Ashtabela, Ohio, were manimously adopted, and order ed to be spread on the records of the Con-

Rev. Mr. Hall delivered an interesting address on the work of the International Association.

A resolution was ananimously passed fa-

voring, as important to the success and prosperity of the Christian Association work, the appointment of a State secretary, and urging that steps be taken as soon as possible for the appointment and support of such an officer. At night Rev. Dr. Jones opened the discussion on the subject of the "Relation of the Association to the Churches." His argument was an able one. He was followed by General George D. Johnson, of Alabama, on the subject of the "Evangelization and Christianlzation of the Colored People." He is delegated by the International Association to labor among the white associations of the South for this purpose. General Johnson is a very fine speaker, and his remarks were telling and impressive. He made an earnest appeal to the Virginia Convention to speak out boldly on this subject, and urged that action from such a source would not be without important effect. Immediately at the conclusion of his address the following resolution was reported and unanimously adopted:

That we fully recognize (as southern Christians have always done) the obligation to give the gospel to the colored people of the South; that we rejoice that our honored brother, General George D. Johnson, of Alabama, lias consented to give his time and talent to this work, and we hereby pledge him our warm sympathy, earnest prayers, and hearty cooperation; and that the Executive Committee be earnestly requested to hold consultation with General Johnson, and devise some practical measures as may best secure the accomplishment of this ob-

The Chair announced the following executive committee for the ensuing year: Colonel W. P. Munford, Rev. J. W. Jones D. K. Sleight, Thomas Potts, W. T. Daniel, S. A. Steel, Richmand; James H. Skinner, Staunton; R. T. Barton, Winchester; F. W. Beadle, Alexandria; J. D. Dreher, Roanoke College; James B. Blanks, Petersburg.

A mass-meeting of the Sabbath schools of the Baptist churches was held yesterday afternoon, and a Union Association formed. The following officers were elected for the year: President, Charles M. Walsh; Vice-President, Bartlett Roper; Secretary, W.D. Barkley; Treasurer, R. H. Wallace. On the occasion two very handsome gold medals were presented to Masters Bennie Martin and W. D. Tucker, of the First Church school, for the honor of bringing the largest number of children to the school during

At a meeting of the Petersburg Artillery Company on Saturday night Captain S. W. Jones, Lieutenants J. E. Mason and Thomas Shanks, and Sergeants James Murray and W. W. Baugh, were appointed delegates to the Military Convention to be held in Richmond on the 19th of January.

The quarterly term of the Hustings Court commences on Thursday of this week. There are fourteen felony cases on the docket-to six of which the parties are white. Among these are the recent bank cases, which are among the most important on the docket.

The recent thaw and rains have caused quite a freshet in the river. Vast quantities of ice, broken into small pieces by passing over the falls, are swept down by the angry current.

The annual meeting of the stockholders of the Citizens Bank will be held to-morrow night, when an election of directors will take place for the ensuing year.

The annual meeting of the congregation of the Tabb-Street Presbyterian church will be held to-night. Reports from the pastor, the elders, the Sunday school, and the several societies connected with the church will Rev. Dr. Szoldt's lecture Sunday after-

BOWLING GREEN, VA. Editors of Dispatch: So far January has fulfilled the goose-bone prediction: the worst weather ever known; and it says, further, that worse is to come. This, added to the low prices of crops and their scantiness, gives us a perfect right to grumble. The week's meetings of the Young Men's Christian Association, held in accordance with the programme laid down by the Evangelical Alliance, terminated last night with a mass-meeting of most of the congregations at the First Presbyterian church,
